

## How to make a Christmas Tree Decoration

### Instructions

(Ask an adult to help you with scissors)

1. Print out this pdf on thin card.
2. Cut along the black outline of the trees.
3. On the second tree, cut along the central black line from the bottom of the tree.
4. Colour in the trees on both sides.
5. Fit the tree with the cut up the middle over the other tree to form one 3-dimensional tree.

### Tree Fact

The giant sequoia is world-renowned as the largest living thing on the planet, and these majestic trees continue to inspire wonder.
