

How to make a Robin Christmas Tree Decoration

Instructions

(Ask an adult to help you with scissors)

1. Print out this pdf on paper or thin card.
2. Cut along the black line of the robin.
3. Colour in the robin.
4. Make a hole in the robin's head.
5. Put a piece of string through the hole and tie it.
6. Now it's ready to go on your Christmas tree!

Robin Fact

A classic symbol of winter: the robin is one of the few birds to sing throughout the winter. Its melodious song is actually a means of keeping territories.
