

How to make a Starfish Christmas Tree Decoration

Instructions

(Ask an adult to help you with scissors)

1. Print out this pdf on paper or thin card.
2. Cut along the black line of the starfish.
3. Colour in the starfish.
4. Make a hole in the starfish.
5. Put a piece of string through the hole and tie it.
6. Now it's ready to go on your Christmas tree!

Starfish Fact

This starfish has an unusual feeding habit - they can force their membranous stomachs out through their mouths and secrete enzymes to digest prey.
