

CRITTER CARVINGS

INSTRUCTIONS

- 1. Print this pumpkin carving template
- 2. Cut out the template by following the black line
- 3. Position your cutting onto your pumpkin and draw around it
- 4. Ask an adult to help you to scoop out the inside of the pumpkin
- 5. Ask an adult to carve your pumpkin by following the line you have drawn

FRIGHTENING OWL FACT

Snowy owls aggressively defend their territory from predators. They have even been known to strike at wolves that stray too close to their nest.

Learn more about the snowy owl and see photos and video at http://www.arkive.org/snowy-owl/bubo-scandiaca/
